PROFESSIONAL EXPERIENCE

Senior Manager, SEO & Organic Growth | ELSA Speak *Mar 2026 - Present*

- Achieved **100% of Q3 2026 organic-channel KPIs**: 50,000 W2A installs; platform installs of 508,048 on iOS and 909,630 on Android; **US$175K revenue**.
- Led the Global and Japan website revamp roadmap (Mar-Jul 2026), covering UI/UX and three delivery phases: preparation, backup and setup; staging implementation and testing; production rollout. Coordinated priorities and delivery across Design, Product, Development and Brand teams.
- Measured **84% growth in reported app installs over the first 3 months vs historical data** during attribution remediation and CRO rollout; evaluated homepage/blog CTAs, package upsells and sitewide Smart Banners through pre/post comparisons.
- Built an education hub with free tools and article-specific study sets to support interactive product discovery and W2A conversion; partnered with CRM teams on I2T and T2S.
- Corrected an AppsFlyer attribution methodology that inflated reported SEO installs by approximately 10x; resolved a domain-exclusion issue blocking Smart Banners by separating workspaces by subdomain.
- Own SEO, AEO and ASO across JP, VN, TH, US and TW; achieved **#1 for "english app"** in the US App Store (up from position 2) with keyword research and metadata localisation across 8-10 markets. Plan the annual ASO and In-App Events roadmap, test creative through PPO and tailor CPP to campaign audiences.
- Own technical SEO for **70,075 indexed pages across 8 sites** (Global, VN, TH, TW, JP, HK, BR, ID): audited 54,969 404s, 14,330 canonical errors, 3,020 schema errors, 2,878 redirects and 1,020 duplicate pages, with **~80% fixed**; work with developers on component issues and programmatic SEO templates.
- Built a semantic database of ~20,000 Vietnamese URLs for search, deduplication, clustering and RAG; tracked AI visibility and ChatGPT install sources.

Paid Media Specialist | UpperCut *Mar 2026 - Present*

- Manage a 13-account Google Ads and Meta portfolio for an Australian agency across 11 clients, owning budget pacing, allocation and run-rate forecasting; built automated reporting, pacing dashboards and anomaly alerts.
- Meta portfolio Mar-Sep 2026: A$40,500 managed across nine accounts, returning 636 purchases and 76 leads from 4.3M impressions and 128K clicks at a blended 3.00% CTR and A$0.32 CPC; strongest account at **10.1x purchase ROAS**.

SEO Lead & Email Marketing Specialist | LUMEtest (Lume) · PTE Magic (contract) *Sep 2025 - Present*

- Ran a 5-round technical audit (39 findings) on a Next.js + headless WordPress stack: slugs duplicated behind self-canonicals, 251 non-English URLs declaring lang="en", AI crawlers blocked at Cloudflare, missing schema; orphan posts 103 to 11, 193 internal links added.
- Sustained approximately 5% monthly organic traffic growth (GSC clicks 18.7K to 25.6K/month) for PTE Academic, PTE Core and Duolingo English Test prep.
- Built lifecycle email campaigns converting free-trial users into paid subscribers, segmented by exam type and study stage; developed an AEO-aware content strategy around mock-test and scoring queries.

Paid Media Specialist | Craft Hub *Jun 2024 - Dec 2025*

- Ran Meta acquisition across two accounts, 159 campaigns and 262 ad sets for licensed catalogues (Warner, DC, Jurassic World); applied value-based bidding (ROAS goal, Highest value, Bid cap) across Advantage+ Shopping, CBO and ABO structures.

SEO Manager & IT Support | Mindful Organization (contract) *May 2024 - Jun 2026*

- Delivered **145% YoY organic session growth, 114% revenue growth and 79% order growth** through content, funnel and technical optimisation across WordPress and Shopify; #1 on Google for "meditation" (34K searches/mo).
- Engineered content for the AI answer layer: 1,211 of ~5,000 pages structured for query fan-out, schema and chunk-level RAG retrieval; AI citations 768 to 12,465.
- Wrote GA4 purchase and dataLayer e-commerce tracking (PHP + gtag) for paid subscriptions across 6 membership levels; connected WordPress and Shopify through REST APIs; ran Mixpanel funnel tracking.
- Supported developers on the WordPress-to-Strapi headless CMS migration, coordinating SEO requirements, content continuity and migration QA.
- Implemented website features, banners, ad-manager tracking code and free tools; built signup forms, pop-ups, gated content and Zapier lead-capture workflows.
- Raised CWV compliance from **5% to 90% of pages** and reduced page errors to near zero; Lighthouse Performance 94 / SEO 100 (LCP 2.6s, CLS 0.008).

SEO Manager | Phibious (freelance) *Apr 2023 - Dec 2025*

- Led enterprise SEO, content and migration initiatives with product and development teams for Bridgestone, Cleanipedia, Schneider Electric and Threexfive (Dep365).
- Supported Bridgestone website setup and SEO delivery in **Adobe Experience Manager (AEM)**, coordinating page/component setup, metadata requirements and on-page QA; fixed crawlability on **768 pages** held back by JavaScript rendering and network-request issues; ran an 11-check audit register (sitemaps, 404 handling, 4XX/5XX links, canonicals, click depth, orphan pages) monthly / bi-weekly.
- Grew Bridgestone organic traffic from **30,000 to 50,000 in 3 months**; maintained Cleanipedia at 1.5M monthly visits (16M visitors in 2023 vs a 14M KPI); improved Dep365 site performance 1.5x following migration, reaching 129K clicks and 4.88M impressions in its first 4 months.
- Achieved Schneider Electric keyword rankings of 70% at #1, 20% in the top 5 and 10% in the top 10; used BigQuery and Google Cloud for analysis across Colorful, Strapi and AEM environments.

SEO & ASO Manager | Hello Health Group *Dec 2021 - Apr 2024*

- Led web SEO and ASO with a 20+ person team; integrated CRM, Web Push and Media Push to support engagement and retention.
- Owned technical SEO across 7 projects. On hellobacsi.com, flagged 11,168 pages deeper than 4 clicks, 15,527 images missing alt, 372 pages linking to 404s and 106 redirect chains, ticketed to Product; moved 169 pages from 307 to 301/308; ran GTM custom-HTML dataLayer events for form submissions.
- Sustained **1-2% MoM app download growth**; achieved top-10 app-store keyword rankings for "đặt lịch", "khám sức khoẻ" and "theo dõi sức khoẻ"; optimised store metadata and tested new screenshot themes monthly across Apple App Store and Google Play.
- Scaled monthly visits for Ferrovit from 200 to 150,000, Vitacap from 0 to 70,000, Normagut from 0 to 15,000 and Giloba from 0 to 8,000; maintained rankings and traffic for Hello Bacsi, MarryBaby and Pacific Cross.
